Debuting at the 2010 summer NAMM show in Nashville, the handwired, Fender Deluxe-inspired American Dream is the second amp to be released from 3rd Power. American Built, American Vibe The American Dream is a 1x12 combo utilizing a Celestion Alnico Gold speaker housed in a very striking and unique cabinet. The cab incorporates 3rd Power's

3rd Power Amp Review There is also a lead boost function that allows for a solo channel on top of the normal master. The cool thing about it is that the lead level is proportionate to the master. Another really cool feature included in the 3rd Power head is what is called the "Tone Stack". This switches between the Bold and Smooth

The 3rd Power Dream Solo 3 tube guitar amp head has been meticulously designed from the ground up. Inspired by the "59 AC15/30, complete with its signature chime and growl as delivered by an EF86 preamp pentode. The DS3 departs from using the typical EL84 output tube approach and instead relies on a pair of 6V6 output tubes.

4 iconic British AC voicings. Inspired by our very own British Dream MKII, the Dream 40 AC takes four classic AC voices and packs them into this single channel amplifier. New features include; Tube or Solid State Rectification (selectable via the Standby Switch), and our popular Citizen Loop (tube buffered/pedal optimized effects loop).
