Following this, it's time to go on the hunt for the Void Weapon in Add's Energy Fusion Theory Dungeon and Elrianode Gear (achievable from doing the Elrianode Story line). can i say, who still use the SD because it's way better with its effects, you can still do elianode dungeons and add dungeon with that gear. :l #7.

Help for Add's Energy Fusion Theory Please . I've recently completed my first 3rd job advancement on Rose (Minerva), and collected all the Elrainode armour from the story quests. My current Combat Power is around 82000. It says the required combat power is 70000, so I felt like I should be able to clear it, but I don't seem to be doing any damage.
