

With over 100 years of experience in our technical team we have the skills, knowledge and know how to cope with all types of power protection problems. We provide clients with cost effective and competitively priced solutions and continually strive for improvements in the way we work to breed confidence in our ability.

For many industries, a loss of power can result in detrimental consequences. Whether it's for a school, hospital or supermarket, Adept Power is here to ensure that downtime is prevented with bespoke UPS solutions. We offer an extensive range of backup power solutions for all sizes of organisations in the UK.

Adept Power Solutions is a leader in the power protection industry, a manufacturer, distributor and reseller of key products and turnkey solutions. Our partners include; APC, Riello, Socomec, Chloride, Eaton Power, JCB, SDMO and MetaSystem.
