

Saraya Jordan Energy Systems and Smart Solutions: Your Trusted Source for Power and Renewable Energy Solutions in Jordan. Leveraging 15+ years of engineering expertise, we offer comprehensive solutions in electric power, renewable energy, UPS systems, diesel generators, and battery storage systems.

APS group (Advanced Power Solutions) is a well-established company founded in 1986. Since established, the company has been delivering efficient, technologically advanced, and robust solutions for different industries.

It was established in Jordan in 1995 by computer engineer Jamal Al-Jayyousi, and the company has quickly gained great trust by the largest multinational companies in Jordan (like Amazon and Yahoo), by providing them with the most reliable and powerful enterprise solutions for every need.

ADVANCED POWER SOLUTIONS JORDAN

Our advanced battery backup systems are designed to address the challenges of power fluctuations and interruptions. With a focus on double conversion technology and line-interactive designs, SJESSS UPS systems ensure consistent power supply, safeguarding sensitive equipment against harmonic distortion and power anomalies.

Advanced Power Solutions. APS - Advanced Power Solutions delivers a wide selection of quality power supply products with USA inventory, sales and support staff. We are the ideal resource to fulfill all your power requirements.

We are a leading solutions provider of power products and services for various applications. We offer customized turn-key solutions that help in simplifying project execution and procurement with access to a wide range of power products and services for both AC & DC applications.
