

What makes Adven a sustainable company?

Sustainability is at our core, paving the way for a better tomorrow for the next generations. Adven is an energy group, driving the energy transition by developing sustainable, competitive solutions in partnership with customers and suppliers.

What is Adven's history?

Adven's history as an energy group, dates to a time where oil or coal was the solution to enable major progress in our societies. Since then, time has changed, and so has our mission.

What does it mean to work at Adven?

Working at Adven means being at the forefront, developing sustainable and competitive solutions for a better tomorrow. We are passionate about continuous improvement, constantly challenging our thinking, and always wanting to be better. Learn more about how you can start your journey with us!

Where is Adven located?

Today Adven operates in Finland, Sweden, Norway, Estonia, and Latvia, and we are currently building our operations in the Netherlands. Our sites are found across all our operating countries - always close to our customers. We never hesitate to seek opportunities in new markets. Please accept cookies to view the map.

Where does Adven expand?

Adven expands to Latvia with the focus of developing more sustainable district heating services in the areas of Cesis and Valmiera. Adven is acquired by the owners of Värmevärden. The journey of two becoming one begins. Adven's expansion to the Netherlands begins.
