

## Who is aegis solar energy?

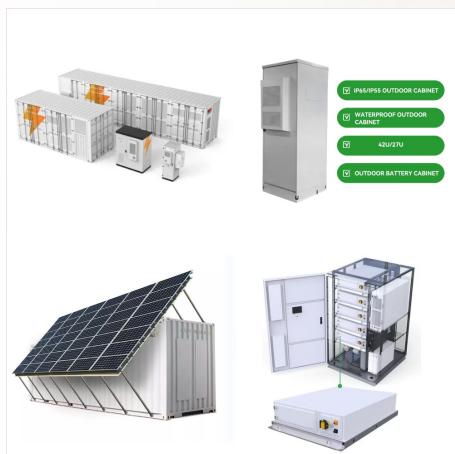

Aegis Solar Energy provides residential and commercial solar solutions throughout CT. Learn why we've been CT's leading solar providersince 1989.

## What makes aegis a good solar contractor?

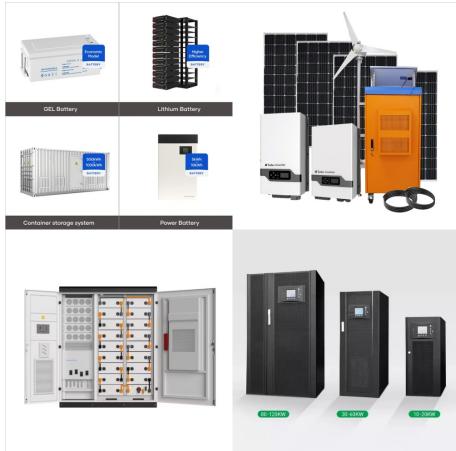

As a full service solar electric (PV) and solar thermal contractor,Aegis will help you get the most out of your solar investment. Aegis staff stayed on top of the entire process from design to installation. They were very competitively pricedand the most important aspect of their business model for me was they do not use any subcontractors at all.
