Sheffield South Island is pleased to announce the appointment of Louise Green as General Manager. Louise Green has been a Senior Consultant at Sheffield since 2010 and has extensive experience in executive search and selection, board appointments, leadership development and organisational development projects.

Norfolk Island may only measure 8km x 5km; however, exploring our island on foot each day is not for the faint-hearted. With over 170km of winding roads to explore and plenty of steep hills, hiring a car makes a lot of sense. If you're over 21 years of age and have a current driver licence, car hire on Norfolk Island is easy and inexpensive.

Under the new agreement, Envision AESC will supply high-performance battery cell modules to support the end to end production of all-electric Mercedes-EQ vehicles in Alabama. Envision AESC's new state-of-the-art battery facility will be powered by net zero-carbon energy and offer world-leading digital automation when operational in 2025.
