

Who is DGA Energy Solutions Australia?

In 2023, DGA Energy Solutions Australia Pty Ltd (DGA Australia) was established to explore business opportunities in the field of green hydrogen/ammonia (GH₂/NH₃) in Australia.

What is Algeria's solar power supply chain?

The Algerian solar power supply chain grew significantly in the last decade and now seeks to add IPP development, engineering and design capabilities, EPC services, inverters manufacturing, storage solution manufacturing, universal certification expertise, and operations and maintenance services.

Is Algeria a key natural gas supplier to Europe?

Unauthorized access or electronic forwarding, even for internal use, is prohibited. Algeria, long renowned for its abundant hydrocarbon resources, is now navigating a dual path: sustaining its role as a key natural gas supplier to Europe while rapidly accelerating its energy transition ambitions.

What is Algeria's Energy Transition Strategy?

One of the most ambitious elements of Algeria's energy transition strategy is the development of the South H₂ Corridor, aimed at supplying Europe with green hydrogen.

Can Algeria become a key energy supplier for Europe?

With the right strategies in place, Algeria can secure its role as a pivotal energy supplier for Europe and a leader in the global energy transition.

Does Algeria have solar power?

Regarding solar power potential, Algeria is home to some of the world's highest solar irradiance levels, with the capacity to generate 1,850 to 2,100 kilowatts per hour and up to 3,500 hours per year in its desert regions.

DGA Energy Solutions Australia Managing Director Kentaro Matsumura said: "We believe Australia will be a key market to address the demands in North Asia as well as Japan, given its proximity to the region. The end goal for DGA is to export hydrogen from Australia to Japan, but it is important to note we believe it is critical to start with

DGA Energy Solutions Australia Pty Limited (DGA), which is 100% subsidiary of Mitsubishi Corporation (MC), and ZEN Energy (ZEN) have executed a Memorandum of Understanding for over 25 years, FCW has been the go-to source for news, information, and analysis.
