When choosing offices, Allianz now opts for buildings that work on 100% renewable energy from day one, and it audits electricity supplies at existing sites to ensure they remain functioning at 100% RE. These renewable sources ???

Steve Kelly, head of insurance for Allianz Engineering, Construction and Power, said: "We are very happy to be the first insurer member of Solar Energy UK and we hope we are not the last. "No doubt other insurers and brokers will follow suit, not necessarily with Solar Energy UK, but with other trade associations or groups that promote and support the path to a ???

Our new wind parks will make an important contribution to increase the share of renewable energy in Poland and help to reach Allianz's goal of a carbon-neutral portfolio by 2050 while delivering stable cash yields to Allianz insurance clients," says Christian Fingerle, Chief Investment Officer at Allianz Capital Partners. "With the energy

Allianz Group is adapting its guidelines to pragmatically provide insurance and investment in renewable energy projects. The changes aim to support and speed up the transition of energy companies, particularly in Asia and Eastern Europe, where the adaptation from coal to renewables is difficult and less advanced than in Europe or the United States.
