

Ameresco Sunel Energy has initiated the construction of Lightsource bp's 560 megawatts peak (MWp) ENIPEAS solar project in Greece. Ameresco Sunel Energy is a collaboration between Ameresco and Sunel ???

SUNEL Group and Ameresco are excited to support Sonnedix in the construction of their largest project in the UK, boasting a massive capacity of 120 MWp! SUNEL Group has more than 10 years of experience in energy investments and mainly photovoltaic power plants. OPERATIONS HEADQUARTERS. Kyprou 17 & Irakliou Avenue 453 14122 Athens, Greece

Ameresco, Inc., a leading cleantech integrator specialising in energy efficiency and renewable energy, and Sunel Group, an international developer and EPC contractor for energy projects, have joined forces to bid projects exceeding 1.5 GWp in ???

The Ameresco-owned assets consist of four 11.75 MW and four 7.84 MW battery energy storage systems across the eight different substation sites owned by United Power, located in Adams, Broomfield, and Weld counties. In addition, Ameresco integrated Stem's AI-driven clean energy software to efficiently operate and maintain the systems.

The Cero, Ameresco and Sunel project teams, along with recognized dignitaries such as Kostas Skrekas, Minister of Energy and Environment, Adonis Georgiadis, Minister of Development and Investment, and Nikolas Tagaras, Deputy Minister of Energy and Environment, celebrated the launch of the project with an in-person event in Athens on July 13, 2022.

Ameresco's sustainability services in support of clients' pursuit of Net Zero include upgrades to a facility's energy infrastructure and the development, construction, and operation of distributed energy resources.

This flagship project, one of the largest solar sites in Europe, underscores Greece's commitment to sustainable energy and economic resilience. Ameresco Sunel Energy SA is a joint venture

On September 19, our CEO, Mr. Konstantinos Zygouras, participated as a distinguished speaker at the Renewable Energy Summit 2024 in Bucharest, which brought together the leading players in the hashtag # renewable energy market to discuss the current state of the Romanian renewable energy sector. The event was organized by GOVNET ???

Sonnedix is the owner of the portfolio and Ameresco Sunel Energy Ltd, a joint venture between Ameresco and Sunel, will serve as the design build partner. The portfolio is already fully contracted under the UK government's Contracts for Difference (CfD) scheme, which provides a guaranteed price for electricity through 15-year contracts with

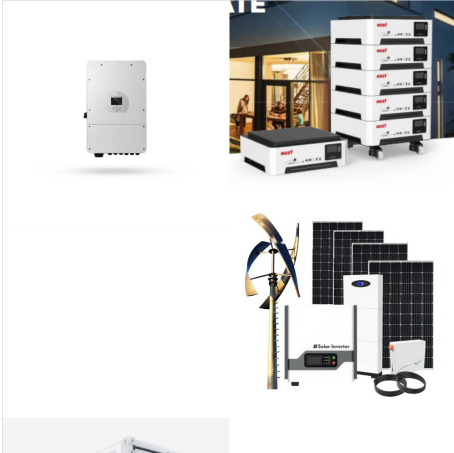

London, UK and FRAMINGHAM, MA ??? July 25, 2024 ??? Today Ameresco Sunel Energy SA announced its role in the construction of Lightsource bp's 560 MWp Enipeas solar project in Greece. This flagship project, one of the largest solar sites in Europe, underscores Greece's commitment to sustainable energy and economic resilience.

LONDON & FRAMINGHAM, Mass.--(BUSINESS WIRE)-- Today Ameresco Sunel Energy SA announced its role in the construction of Lightsource bp's 560 MWp Enipeas solar project in Greece. This flagship project, one of the largest solar sites in Europe, underscores Greece's commitment to sustainable energy and economic resilience.

The strategic alliance aims to accelerate utility scale renewable generation and redefine performance standards.. FRAMINGHAM, Mass. & ATHENS, Greece--(BUSINESS WIRE)-- Ameresco, Inc., (NYSE: AMRC), a leading cleantech integrator specializing in energy efficiency and renewable energy and Sunel Group, an international developer and EPC ???

Ameresco is powered by our team of purpose-driven people. We march together towards our collective vision to energize a sustainable world and our practices are shaped by our C.A.R.I.N.G. values. Ever since our early days, we've put our people first when solving our customers' greatest energy, resiliency, and decarbonization challenges.

The construction of one of the largest photovoltaic systems in Europe is underway in Greece. Joint venture Ameresco Sunel Energy, the contractor, said it would complete the Enipeas plant of 560 MW in peak ???

Ameresco's sustainability services in support of clients' pursuit of Net Zero include upgrades to a facility's energy infrastructure and the development, construction, and operation of distributed energy resources.

Participation of Ameresco Sunel in Renewable Energy Summit 2024 in Bucharest, Romania; SUNEL Group, in partnership with Ameresco, is moving forward with the construction of our pipeline in the UK! SUNEL Group and AEK BETSSON BC have joined forces in a sponsorship venture centered on promoting excellence and sustainability.

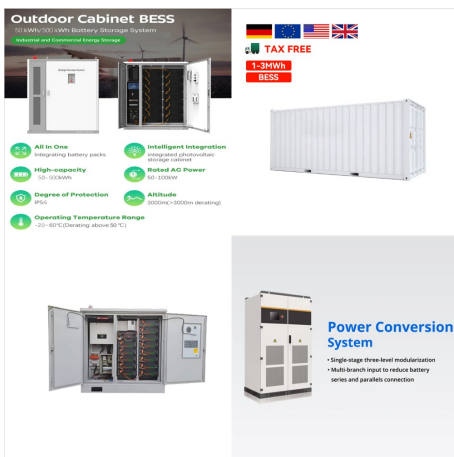

The firms have established Ameresco Sunel Energy to bid on engineering, procurement, and construction (EPC) projects in the UK, Greece, Italy, Spain and Romania. They did not reveal how much of the 1.5GW pipeline is expected to be solar versus storage. However, the UK's energy storage project pipeline is substantially larger than the other

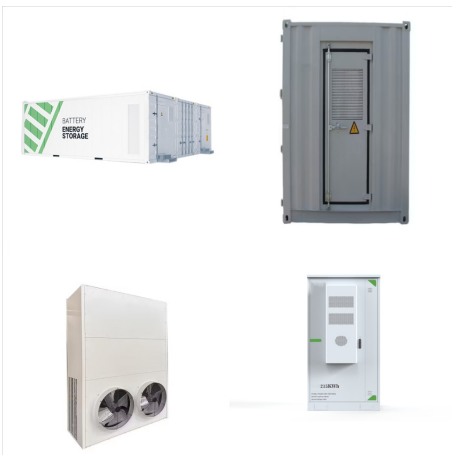

US-based cleantech integrator Ameresco and the Sunel Group have teamed up to bid for 1.5GWp of solar photovoltaic (PV) and battery energy storage system (BESS) projects in the UK and Europe.. Located across Greece, Italy, Spain, Romania and the UK, the projects are currently in the bidding phase and are anticipated to surpass \$500m in contract value.

Global renewable energy producer Sonnedix has started construction of a 300 MW portfolio of five solar PV projects which will contribute to the UK's supply of secure and clean electricity, generating approximately 300,000 MWh of renewable electricity per year, enough to power 85,000 UK homes and avoid 58,000 metric tons of CO2 emissions annually.

The construction of one of the largest photovoltaic systems in Europe is underway in Greece. Joint venture Ameresco Sunel Energy, the contractor, said it would complete the Enipeas plant of 560 MW in peak capacity in 18 to 24 months. The location is in the regional unit of Larissa in Central Greece and in Phthiotis (Phthiotida) in Thessaly.
