

What is the American Solar Energy Society?

The American Solar Energy Society (ASES) recognizes the harmful effects of racism, sexism, ageism, and classism including, but not limited to implicit and unconscious bias, on individuals and society. ASES stands steadfastly with individuals and communities around the world who have been victims of discrimination and injustice.

What is the ASES National Solar Tour?

Please contact info@ases.org for sponsorship and advertisement opportunities. The ASES National Solar Tour will be held on Oct. 4-6, 2024 and is the largest annual grassroots solar, renewable energy, and sustainable living event in the nation. Despite its name, the Tour also features a bevy of sustainable features.

Who attends the ASES National Solar Conference?

Over the last 53 years, thousands of professionals from public-, private-, and industrial-sector organizations have attended the ASES national solar conferences. Attendees include educators, contractors, developers, architects, engineers, installers, consultants, homeowners, policymakers, researchers, manufacturers, students, and solar enthusiasts.

Why should you attend the National Solar Conference?

Why Attend? The National Solar Conference is America's leading conference on the emerging trends, technology, and opportunities shaping the new energy economy. The American Solar Energy Society's cutting-edge conference series introduces attendees to the leaders, innovators, and entrepreneurs moving the industry forward.

What is SOLAR TODAY magazine?

Published for more than 30 years, Solar Today Magazine offers readers fresh insights and information about renewable energy solutions and sustainable living. Explore the magazine! Sign up to receive our exclusive bi-monthly e-newsletter & ASES news by and for solar pros!

How do I sponsor the solar 2024 Conference?

Sponsorships and exhibit booths are now available for SOLAR 2024. Make your mark and get in front of your

audience early and often. Visit ases.org/conference/sponsor for details, and contact sales@ases.org to sponsor. All SOLAR 2024 speakers have the opportunity to publish their work as an article or extended abstract in the SOLAR 2024 proceedings.
