

Description. The Growatt SPH5000 is a 1-phase hybrid battery inverter designed for PV systems with a capacity of 8000WP. It is specifically designed for storing excess energy in batteries, which need to be ordered separately as they are not included.

Amonra Energy provides only the highest-quality products and ensures that they are readily available to its customers. The company's large inventory of Sungrow inverters and Canadian Solar panels ensures that its customers can get what they need, when they need it.

Description. DEYE  
SUN-16K-SG01LP1-EU-PREMIUM.  
SUN-16K-SG01LP1: Empowering Energy  
Independence with Smart Hybrid Inverter  
Technology. In the quest for cleaner and more  
sustainable energy solutions, solar power has  
emerged as a frontrunner.

Amonra Energy provides only the highest-quality  
products and ensures that they are readily available  
to its customers. The company's large inventory of  
Sungrow inverters and Canadian Solar panels  
ensures that its customers can get what they need,  
when they need it.
