

Who is Anhui Schutten solar energy?

Anhui Schutten Solar Energy Co.,Ltd.,founded in 2013,is a national high-tech enterpriseintegrating advanced technology and innovative capabilities. We specialize in the R&D,production,and sales of photovoltaic products,providing solutions and services for photovoltaic power stations and systems.

Who is Schutten solar energy?

Schutten Solar Energy Co.,Ltd. is a national high-tech enterprise owned the world-leading PV module production Line.Schutten focuses on the production and sales of PV modules. And also provide the design,installation,and after-sales services of the PV power stations and PV power systems.

Where are Schutten PV modules made?

Currently,Schutten has two PV module production bases located in Chinaand Thailand,with world-class production and testing equipment which are used to produce double-glass,multi bus bars,half-cell and other high-efficiency PV modules.

Where is Schutten manufactured?

Schutten Owns two production basis in Chinaand Thailand.Schutten brought in the world-class PV module production line in Year 2020,which can produce high-efficiency PV modules such as film,double glass,multi-busbars,and half-cells PV modules.

Who owns Anhui province integrated industrialization & industrialization demonstration enterprise?

Schuttenowns the titles of Anhui Province Integration of Industrialization and Industrialization Demonstration Enterprise,Provincial Specialization and Special New Enterprise,Anhui Famous Brand,Anhui Top Ten Innovative Enterprises,Anhui Science and Technology Progress Award,Provincial Digital Workshop and Municipal Intelligent Workshop.
