

This is the DNA-120-BF26-370. A premium 370W Bifacial solar module by Aptos of California. DNA stands for Dual Nano Absorber technology allows for the module to harvest energy from all directions with exceptional high-heat performance. The DNA Split-Cell series combines advanced light trapping technology to maximize performance, producing up to 30% more energy through ???

Aptos Solar Technology, LLC Solar Panel Series DNA-120-BF26 360-370W. Detailed profile including pictures, certification details and manufacturer PDF Solar Panel Directory; DNA-120-BF26 360-370W DNA-120-BF26 360-370W Aptos Solar Technology, LLC Technology: Bifacial Power Range: 360 ~ 370 Wp Region: United States

Empower the Sun Power! Unleash the Sun Power with Aptos Solar total solutions! Say hello to lower bills and wave goodbye to those high electricity costs. Aptos Solar Technology. Solar for Innovators DNA-120 MF26 370W. DNA-120 BF26 370W. DNA-144 MF26 440W. DNA-144 BF26 440W. Legacy Products . DNA-120 MF23 330W. DNA-120 BF23 330W. DNA-144

These are among the best numbers in the industry. Aptos solar panel loses around 0.54% of power annually and after 25 years in service it retains over 85%. In 30 years it will still have over 82% of its initial power output. What to look for when choosing a Aptos solar panel

Aptos Solar Technology, LLC Solar Panel Series DNA-120-MF26 360-370W. Detailed profile including pictures, certification details and manufacturer PDF DNA-120-MF26 360-370W Aptos Solar Technology, LLC Technology: Power Range: 360 ~ 370 Wp Region:

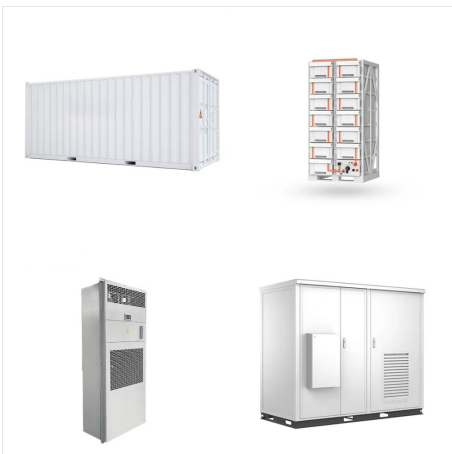

In partnership with GivePower, we are providing solar-based solutions that power life's basic needs. For each solar panel that is sold, we donate a portion of our profits to GivePower. When you partner with us, you're helping our mission to bring ???

Aptos" DNA Split-cell Series impressively combines advanced technologies to maximize performance. Produce up to 30% more energy with the bi-facial rear side generation. Our patented DNA, Dual Nano Absorber, technology allows for panel to harvest energy from all directions and operate exceptionally in high heat temperatures.

DNA technology makes panels cheaper and more heat-resistant. Aptos engineering team uses a patented technology called Dual Nano absorber (DNA). It makes Aptos Solar panels stand out on the market for 3 reasons: DNA solar cells are cheaper to produce, they have more active surface and are more tolerant to high temperatures.. First of all, Aptos ???

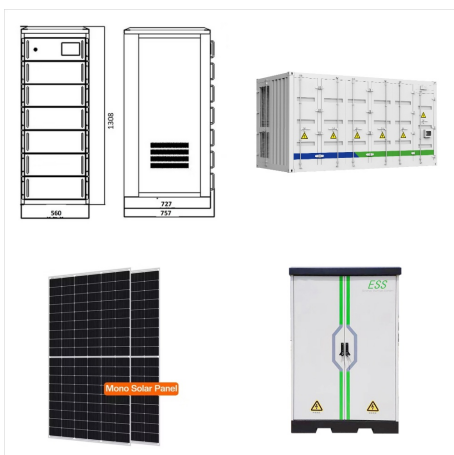

Collections - Aptos Products Shop our collection of Aptos Solar Panels and Solar Kits at Solar Sovereign. Aptos is a leading solar manufacturer headquartered in Irvine, CA.. Why Choose Aptos? Affordable Excellence: Aptos specializes in offering high-quality solar panels at competitive prices. Bi-facial Innovation: At Aptos, they lead the industry in bi-facial solar panel ???

Full Pallet (31) of 370W 120 Split-Cell Monocrystalline Panels with patented Dual Nano Absorber (DNA) technology boosts power performance and efficiency. All-black design with no excessive silver bussing/ribbons for a pristine aesthetic, and an IP68 junction box for improved heat dissipation and safety. Specifications:

Aptos Solar engineers made the 370w series durable and efficient while minimizing the amount of useful space required for their operation. This panel takes full advantage of the Passivated Emitter Rear Contact (PERC) technology that allows it to capture up to 12% more energy.

Aptos Solar Technology is a U.S. based solar panel supplier committed to providing innovative and affordable solar technology. Aptos Solar Technology solar panels are optimized with patented Dual Nano Absorber (DNA) Technology which allows the panel to operate at high efficiencies in extreme temperature environments. Aptos Solar Technology

Nevertheless, Aptos Solar offers their customers a 25 year product warranty with a warranty for production for up to 30 years. After 25 years the power output of the Aptos 400W solar panel won't fall below 85%. Optional extended warranty guarantees you over 82% of initial production after 30 years. Size. 79.0 x 39.4 x 1.57 in. Weight. 51.4lbs

Wattage. 360 watt; 365 watt; 370 watt; 375 watt; Those Aptos solar panels have been installed on my roof for almost two weeks now. I can monitor output using the mobile app, which I do frequently.

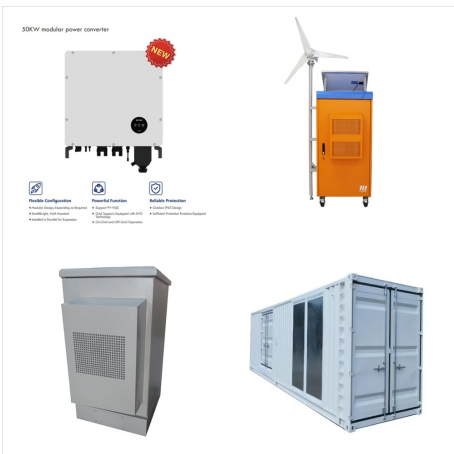

Solar cells are protected by a frame of black anodized aluminum and a 3.2 mm layer of tempered glass with anti-reflective coating. The module is made to withstand 5400 Pa snow loads and 210 mph wind load, according to Aptos 370W spec sheet. Failure rate of Aptos Solar panels is less than 0.01>#/#/#/# Industry leading 30 year warranty

I got 20 of the 370W aptos panels a bit ago, they are online and working great (pic attached) To me they look great with the all black design versus traditional solar panels (Hyundai's and random 100W to the left) Reactions: MySolarAddiction and sunsurfer.
