

Who is Asheville solar company?

Asheville Solar Company is a small, family-run business that places honesty and customer benefit before profit. Our mission at Asheville Solar Company is to be Asheville's affordable and accessible answer to sustainable energy by using a holistic approach to renewable energy production. BPI Energy Auditor Contact us to schedule your free

Are solar loans a good idea in Asheville?

Solar loans are popular among homeowners because you don't have to have the money for the installation upfront, but you get better lifetime savings than with a leased system. You also get to directly use incentives (tax credits etc) available in Asheville, rather than a leasing company retaining them.

Where can I get a solar lease in Asheville?

SunPower and other similar leases are offered by a number of local solar companies in Asheville and my pick of these are: Renu Energy Solutions provides high-quality solar energy installations, as well as proven energy-saving products and services like energy storage and system monitoring.

What is Elite Roof & Solar?

Elite Roof and Solar is a roofing contractor you can trust. Our team of honest, knowledgeable roofing experts can help guide you step-by-step to make your roofing project as easy as possible, whether it's a straightforward repair, a full replacement, dealing with insurance claims, or needing help with financing options.

How much does solar cost in Asheville?

The cost per watt makes it easier to compare prices between quotes and gives you a better idea of how fairly the system is priced. The average price of solar is about \$1.99 to \$2.99 in Asheville, so anything in that range is a fair price.

What solar incentives are available in Asheville?

The most significant incentive is the 30% federal solar tax credit, available to any taxpayer in the country when they purchase solar panels or battery storage. Some states and utility companies offer additional solar incentives, saving homeowners even more money. Here are the solar incentives available in Asheville:
