

Why should you choose a Shenzhen Aurora battery?

Compared with other products in the market now, this kind of product experiences a lower rate of capacity loss. Shenzhen Aurora battery, founded in 2010 at China's Silicon Valley, a national high-tech enterprise focused on R &D, manufacture and sales of solar battery packs and solar home system. As innovation is our core competence.

Could Mongolia become a battery manufacturing hub?

“Mongolia has lithium assets, Mongolia is building manufacturing facilities, the University of Science and Technology is well-versed in hydrogeology - a joint venture between the public and private sectors could put this manufacturing capability in Mongolia,” Haji says - envisioning a greater role for the country in the global battery supply chain.

Is Mongolia's first lithium brine explorer?

Enter ION Energy, Mongolia's first lithium brine explorer. The company (listed on Canada's TSX Venture Exchange) has a license to explore lithium reserves in Sukhbaatar aimag and aims to export high-quality lithium into the burgeoning battery metals Asian market, which would put Mongolia at the forefront of the electric transport revolution.

AuroraReach is an aurora tracking, forecasting and alerting app that gives local aurora visibility scores for cities around the world. We take weather conditions like cloud cover, visibility, time of day etc. along with aurora score to generate a score that can help you find the aurora visibility times for a given city. Along with aurora, weather conditions are also predicted for up to 4 days.

Shenzhen Aurora, founded in 2010 HQ at China's Silicon Valley, a national high-tech enterprise focused on R & D, manufacture and sales of solar home system, lithium battery pack, and solar off-grid system. AURORA BATTERY not only cares about the quality of the products, but also cares about the services of the products. Customer needs

Charging Ahead: Unlocking Investments in Europe's Battery Storage Market. Aurora's central outlook projects that Battery Energy Storage System (BESS) installed capacity in European countries will grow sevenfold by 2030 since it is crucial to complement variable renewable generation and provide grid services, maintaining security of supply.

Shenzhen Aurora battery, founded in 2010 at China's Silicon Valley, a national high-tech enterprise focused on R & D, manufacture and sales of solar battery packs and solar home system. As innovation is our core competence, we keep developing all type of cutting-edge product, leading ahead of the industry in off grid energy storage battery.

The Uliastai project is Mongolia's first large-scale  
solar-plus-battery storage project. It will be delivered  
to the Ministry of Energy of Mongolia and funded  
through a loan from the Asian Development Bank  
(ADB) as well ???

AURORA LiFePO4 battery packs come in power  
starting at 5KWh 100Ah and increase up to 15KWh  
300Ah. They have 6-10years factory warranties and  
Maximum 8pcs can be paralleled. These packs are  
a kind of environmentally friendly backup power  
system.

AURORA LiFePO4 Battery Systems. Lithium Iron  
Phosphate batteries act as direct replacement to  
usual (LeadAcid, GEL) battery. Upgrading lifetime of  
your old battery is simple and for most applications  
can be done immediately without further  
modifications to your system. Extremely high peak  
current draw also enable working as starter battery.
