Where can I buy a home standby generator?

Nothing to compare right now. Shop Generac PowerPact 7500-Watt Dual Fuel (Liquid Propane/Natural Gas) 50-Amp Home Standby Generator (Automatic Transfer Switch) in the Home Standby Generators department at Lowe's.com. Generac's 7.5 kW home standby generator is the most affordable, automatic alternative to portable backup power.

What is a whole house generator?

A whole house generator, also known as a standby generator, is a device that provides backup electrical power to an entire house in the event of a power outage. It operates automatically and is designed to restore power quickly and seamlessly, allowing you to maintain essential functions and appliances in your home even when the grid power is down.

Can a generator power a whole house?

Large whole-house generators can power an entire average home, while smaller units provide power for key appliances. These are the best standby models from CR's tests.

Is Generac a good whole house generator?

Customers say the Generac 22kW whole house generator offers exceptional reliability and peace of mind during power outages. Users appreciate its automatic start feature, seamless transfer of power, and quiet operation during tests. The Wi-Fi monitoring capability is a standout feature, although some customers noted challenges with connectivity.

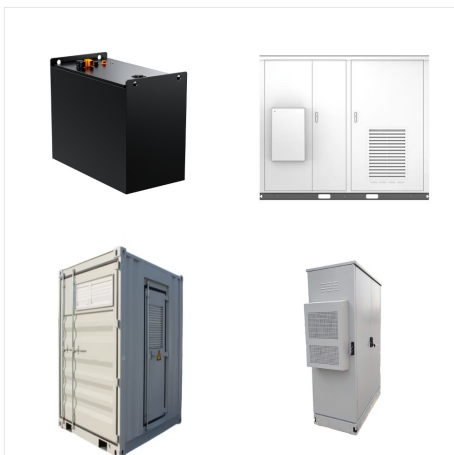

How does a home generator work?

These home generators usually require professional installation, but afterward, you can easily operate and program the generator. When the standby generator detects an outage, it automatically starts within seconds, providing continuous power. Some manufacturers also have apps that allow you to monitor your generator

from anywhere.

-Watt Guardian Series (22 kW) home standby generator is the largest air-cooled home standby generator on the market. Not only does it deliver all the features and functionality customers have come to expect from the market-leading brand of home standby generators, but with an MSRP that is the lowest cost per kilowatt of any air-cooled home standby generator.
