

Check out all of our Standby Generator Accessories for sale in Mississauga, ON from Paramount Power Systems LTD. We'll talk about your specific needs and provide a quote on a backup power product and installation that is right for you. No charge or obligation, simple as that.

We don't just sell Generac generators to protect your home or business against power outages ??? we install, maintain and repair them. With our head office in the GTA, company assets and resources across Ontario, we're perfectly positioned to ensure your automatic standby generator stays in top condition for years to come.

Fuel is stored in an underground tank or supplied by your home's natural gas. Standby generators are larger than portable generators (7,500 watts to 48,000 watts or more), and they're more expensive, running anywhere from \$5,000 to more than \$25,000. Standby generators need to be professionally installed by a licensed electrician.
