

Our Group has achieved cooperation with a number of major domestic energy storage integrators such as Sungrow Energy Storage (), CLOU Intelligent Energy () and Ronghe BESS (), and established cooperation with a number of well-known international energy storage integrators in respect of our ESS battery

REPT BATTERO Energy Co., Ltd. engages in the design, research and development, production, and sale of lithium-ion battery products in China and internationally. The company offers electric vehicle (EV) and energy storage system (ESS) battery cells, modules, and packs; and ESS battery boxes, racks, and energy storage containers.

REPT BATTERO is committed to the research and development and innovation of battery technology, providing efficient and safe power batteries and energy storage solutions to promote sustainable development.

BAHAMAS REPT BATTERO ENERGY CO LTD

Founded in October 2017, Tsingshan Group, a Fortune Global 500 firm, made its first investment in a new energy company, REPT BATTERO. The primary activities of REPT BATTERO are the development, manufacturing, and marketing of lithium-ion batteries for use in power vehicles and energy storage, ranging from single cells to entire systems.

REPT BATTERO Energy Co Ltd, formerly Rept Energy Co Ltd, is a China-based company mainly engaged in the research and development, production and sales of electric vehicle (EV) and energy storage system (ESS) lithium-ion battery products.
