Students or musicians who work with an ensemble should spend time practicing music independently each week to ensure that they are prepared for the ensemble. But in order to truly master the skills, regular practice with an ensemble is important for growth as a musician, providing an avenue to utilize the skills developed in your solo practice.

On Saturday, April 13, middle school band students participated in MSBOA District II Solo and Ensemble Festival in Boyne City. These students worked extra hours outside of school and gave outstanding performances. Ratings:Carley Bancroft
