BATTERIES FOR HOME SOLAR STORAGE NEPAL

Solar Batteries for Your Home. Solar battery is a battery that stores energy from a solar PV system. The system's panels absorb energy from the sun and convert it to electricity which then passes through the inverter for your home to use. A solar battery simply stores the energy generated by the solar panels in your energy system.

With the help of these batteries, you have more options for powering your home. Since Megatech Nepal is the official distributor of Asian batteries in Nepal and actively serves all major towns, it has the best solar batteries.
