Nestled in the heart of the Balkans, Bosnia and Herzegovina is a land of stunning contrasts. From the vibrant streets of Sarajevo to the tranquil lakes and majestic peaks of the Dinaric Alps, this diverse country offers rich history, breathtaking landscapes, and unforgettable experiences. Whether you're an adventurer, a history lover, or

Institutions & Energy Policy. Bosnia and Herzegovina (BiH) is a Balkan country that became independent from Yugoslavia in 1992. Since the signing of the Dayton Peace Agreement in 1995, the country has been split in two entities, the Federation of Bosnia and Herzegovina (FBiH) and the Republic of Srpska (RS); in addition, the district of Brčko has a special status.

The economy of Bosnia-i-Herzegovina is largely aligned with the economic cycle in Europe and many companies are also major exporters. Thus, the local economy might be significantly affected by a deceleration of economic growth in its major European trading partners. b. Low dynamism of the public sector, as potential chances for an acceleration in
