Hong Kong Batteries, Company Introduction
Founded in 1979, Sonic Battery Co.,Ltd. has been
pioneering the design, development, distribution and
manufacturing of a broad range of high performance
nickel-cadmium, nickel-metal hydride, lithium-ion,
alkaline, and primary batteries of various types, to
meet the requirements ???

MM Powerplus and Wetown Electric design,
manufacture and market all insulated type busway
system for power distribution. The busway system is
specially designed for high-rise buildings and heavy
industries, where high current and fault capacities
are required.

In case of battery rupture or explosion, evacuate
personnel from contaminated area and provide
maximum ventilati on to clear out fumes/gases. In
all case, seek medical attention. Tel: (852)
