A robust 40kWh lithium battery stores the energy generated by the solar panels. Lithium batteries are renowned for their long lifespan, high energy density, and fast charging capabilities, making them an excellent choice for off-grid systems. This battery ensures that the home has a consistent power supply, even during cloudy days or at night.

StorEn's patented Multigrids stack design delivers unsurpassed power density with a 50 percent cost reduction in the power side of the battery. Our Equilevels and Resafe technology extends the lifespan of StorEn batteries to over 15,000 cycles, with reduced cost of maintenance and no need for regular service inspections.
