

Discover a profitable investment - create accessible and cheap energy that can be used to power your home and even your neighbourhood. With the solutions provided by Wiren, you have renewable energy and lowered costs with electricity. Aida Mary, Higüey, Dominican Republic. We believe that green energy is the future, we believe in it and we

Read Aggreko's perspective on using Gas-Battery Hybrid Generators to enable a low carbon future whilst providing reliable power sources. While the energy landscape seemed frozen in time for several decades from the 1950s until 2000, we have certainly come out of the ice age and are now headed, perhaps a little too quickly, to much warmer times.

Company founded with the mission of providing Dominican companies with all their energy needs, both temporary and permanent. It offers the services of: Rental of power plants and accessories, Sale of energy to "turnkey" projects at all costs, and Sale of Propane Gas, Natural Gas and Diesel Power Plants.
