

The community will always make sure you're looked after if you make the effort to be part of the community. You don't have much on islands because you don't need much. Islands are financially poor by comparison but they are rich and abundant with love, community and generosity. It makes the quality of living higher than anywhere I ever lived

"Please be advised that the settlement process for the Pitcairn Islands is currently under review and no applications will be received during this period." Built in 2020, with funds from the European Union, the Pamai Centre in Adamstown is the central place of business for Pitcairn Islanders. It houses the Pitcairn Island Post Office

Pitcairn Islands faces real challenges, but most are due to a dwindling population rather than the extreme levels of poverty that exist elsewhere globally. As long as the island continues to receive financial aid from the British Government at the same rate as inflation, it should be able to stay afloat financially as long as its inhabitants
