

ENERGY PURCHASE OR Moving to 100% Renewable Energy in the City of San Diego What's happening? In 2018, the City of San Diego will decide how to provide 100 percent renewable energy to our residents and businesses. The City is currently exploring two possibilities: a Community Choice energy program or a Renewable Energy program proposed by SDG& E.

A San Diego Superior Court jury awarded two landowners in Valley Center \$6.5 million in damages they suffered from the construction of a solar farm on adjacent property, which altered the landscape and caused flooding damage to their land. The verdict Tuesday came following a two-week trial in Vista Superior Court. The lawsuit was filed in 2017 by Chris ???
