

In a complex world, plant specialists, Rollo simplifies the way you service and manage your mixed fleet, offering a new approach from an established brand. Operating since 1933, Rollo has a long, established and successful heritage in the power generation and plant industries.

Rollo Power Solutions offers a "one stop shop" approach to customers" stand by power and marine requirements. With locations at Grimsby & Bristol we can offer all our services at a local level to suit your business needs.

Why Rollo? Whether you are looking for genuine parts for your power generation system from an authorised dealer, or high-quality alternative maintenance and repair parts for your fleet of plant equipment. We provide next-day delivery across our full range of stocked parts, combined with expert parts interpretation.
