Energie Solaire. Join group. About this group. Ce  
groupe doit partager les informations sur l'achat et  
l'utilisation des informations sur les produits solaires  
au B?nin. This Group is to share the information  
about buy and use of solar product information in  
Benin.

The increase in installed solar energy capacity was  
even more impressive . For the Dominican  
Republic, the increase was over 71-fold, from 15  
MW in 2014 to 1,077 MW in 2023 (higher absolute  
value of installed solar energy capacity than in any  
other SIDS). For Barbados, the increase was  
69-fold: from 1 MW in 2014 to 69 MW in 2023.

A new electricity code has been ratified by Benin's  
National Assembly. In addition to opening up the  
energy sector to private investors, the text paves the  
way for the development of the solar sector. It aims  
to preserve ???

Minister of Energy, Water and Mines S?idou Adambi said the infrastructure represents a pillar for Benin's energy security and a step towards a greener and more resilient future. The two attended the launch of the Forsun solar plant and took the opportunity to also visit the 25MWp Defisol solar power plant, located in Illouloufin.

MCC's second compact with Benin, totaling \$391 million, is focused on improving the quantity and quality of the supply of electricity in the country. U.S. and Republic of Benin Sign New Energy Sector Compact Scorecards. Benin Scorecard, FY 2025 Benin Scorecard, FY 2024
