

Based on 28000 litres with a 10% reserve, Black Pearl has a range of around 3000NM @ 12.5 knots and even flat out at 13.8 knots will still return 1600NM before the reserve kicks in. Drop the speed to 10.2 knots and Black Pearl has a range of 3895NM and at a very leisurely 7.7 knots you could expect 5100NM.

I got solar pearl last time for ningguang and probably going black sword for Keq. Although I may get V. Hunter for Ganyu since I have no proper DPS bows, but that might be overboard crit rate considering I'm going to be getting the new cryo set and double cryo.

Solar Badge. Pearl's Solar Badge is a powerful signal to buyers, lenders, and appraisers that your home is high performing and energy independent. When you earn a Solar Badge and have your home certified by Pearl, you'll also receive a Solar Equity Value Report, which demonstrates to appraisers how much value your solar investment has added to your home.
