

Which brand of concrete block making machines does Bess use?

Bess uses well-known German brands like Schneider and Siemens for its concrete block making machines. Try not to spend your whole budget to buy machinery, you should save your budget for preparing your plant, buying raw material, and installing the machinery as well.

What is Block Island like?

Block Island features 17 miles of pristine beaches, protected by lighthouses and spectacular bluffs, and surrounded by rolling roads and winding paths. Many of the beaches encompassing the island are isolated and nearly untouched providing breathtaking views and utmost tranquility.

How do you get to Block Island?

Block Island has been called the "Bermuda of the North," so it is only fitting that most visitors choose bicycles or mopeds as their primary form of island transportation. Many beach-goers find it easy to walk straight to the beach from the ferry landing, or rent a bike or moped to explore the beach further out

What's going on at Norwich main & Bramford?

The development will connect to existing transmission infrastructure in the area, namely a 400kV overhead line that runs between the Norwich Main and Bramford substations. The project has also been designed with up to 500MW of BESS on site, in an effort to boost grid flexibility in the local area.

From the minute the boat starts pulling into port, it's easy to see what makes the island an ideal trip to manage in a day. Within one glance, you can see hotels, stores, restaurants and beaches all in a row, making it a very easy place to plan and navigate on foot.

From the minute the boat starts pulling into port, it's easy to see what makes the island an ideal trip to manage in a day. Within one glance, you can see hotels, stores, restaurants and beaches all in a row, making it a very easy place to ???
