

Who is BMZ Group?

The BMZ Group has over 30 years of expertise in the electronics and battery industries and offers a unique one-stop-shop offering that covers all components of the value chain from a battery to after-sales.

Where is BMZ made?

As an international company, BMZ has production facilities in Germany, the USA, Poland and China. Independent sales offices in France, UK and Japan serve as contact point for local customers.

Who is BMZ China?

BMZ China was founded in 2006 and has been on a continuous growth course ever since. At the Shenzhen site, the entire product range of the group is developed and produced in accordance with the requirements of the German ISO standard ISO9001: 2015. In July 2011, the third sales and production office was founded in the USA / Virginia Beach.

Why is Brazil a BMZ partner?

Brazil is an important partner for the BMZ when it comes to supporting joint development programmes in third countries; this is known as triangular cooperation. Such programmes focus on the sharing of experience between an emerging economy, an industrialised country and a third, poorer country.

Where is BMZ GmbH located?

From the headquarters, all activities are managed on the European market as well as internationally. In September 2010, BMZ GmbH founded the second foreign branch in Poland/Gliwice. The plant in Poland is also ISO certified. The Eastern European business is controlled from Poland.
