A Brief History of Saba and Sint Eustatius (See ABC Islands for Bonaire) Saba is thought to have been inhabited by the Ciboney people as early as the 1100s BC and then, later, circa 800 AD, Arawak peoples from South America, whilst Statia was first inhabited by Caribs.

Each island has a relatively small population: Bonaire (around 22,000), Sint Eustatius (around 3,200), and Saba (around 2,000) residents. Key economic sectors include tourism, particularly diving and nature-based tourism on Bonaire and Saba, oil storage and transshipment on Statia, and limited agriculture and small industries.
