

Where are Meyer Burger solar cells made?

Meyer Burger solar cells and modules are manufactured exclusively in Germany, and work with suppliers and partners from Europe as much as possible. This reduces their environmental footprint just as much as their cutting-edge facilities which operate entirely with energy from renewable sources.

How many solar modules does Meyer Burger produce a year?

It has a production capacity of up to 400 megawatts of solar modules per year. The facility is also designed to be energy-efficient, with a focus on reducing its carbon footprint. The opening of the Freiburg facility represents a significant milestone for Meyer Burger and the solar industry as a whole.

How much does a Meyer Burger 375W solar panel cost?

This model also uses 120 monocrystalline cells and has a VOC of 44.4V. The Meyer Burger 375W Solar Panel, a perfect balance of power and price, is now available at \$200.34, down from its original price of \$360.45. The 120 monocrystalline cells ensure excellent energy yield, with a VOC of 44.5V.

Should you buy Meyer Burger solar panels?

If you're looking to buy solar products which can help you generate energy for your home then you should be looking at Meyer Burger solar panels. With all Meyer Burger products, demounted or defective modules don't end up on the scrap heap. Meyer Burger take back all end-of-life modules - without exception.

What is Meyer Burger 380W solar module?

Equipped with a half-cell module of 120 mono n-Si, HJT cells, this 380W module demonstrates the prowess of Meyer Burger in delivering highly efficient and reliable solar technology. The connection box is not only robust but also ensures maximum safety with its IP68 protection class.

Why did Fresh Solar partner with Meyer Burger?

Fresh Solar have partnered with Meyer Burger in the UK to ensure we use the best components available to our customers. More efficient solar panels means more generation. A 30 year warranty means a longer product lifetime and with their strict recycling policy, Meyer Burger were our perfect choice for a strategic partnership.
