BPH ENERGY LIMITED COCOS KEELING ISLANDS

BPH Energy Ltd. engages in investments in biotechnology and oil and gas exploration entities. The company is headquartered in Perth, Western Australia. The company went IPO on 2004-08-06. The firm holds a significant interest in an unlisted oil and gas exploration company.

BPH has invested in two companies we think can help fill the gap and smooth the transition to renewables, while still meeting our growing national energy requirements. The most recent acquisition is a 10% stake in Clean Hydrogen Technologies in the USA, who are using their own unique catalysts and bespoke engineering processes to generate clean
