In the northern highlands of Peru lies Ja?n, a small coffee town in the Cajamarca region. While its footprint may be modest, its contribution to coffee production is as mountainous as the Andean ridge in which it rests. Among its stakeholders is Sol y Caf?, a coffee cooperative founded in 2005 with the support of local

Our Fair Trade certified, Swiss Water processed decaf tastes as suspiciously like a "real" Peruvian coffee as you're likely to get. That's because it comes from the La Florida cooperative in Peru, the country's second oldest coffee producers. Each season we select a decaf that comes as close to the character of its ori
