The Latest: On January 28 2024, Burkina Faso Mali and Niger ???collectively known as the Alliance des ?tats du Sahel (AES) ???formally declared their intention to exit the Economic Community of West African States (ECOWAS).Formed as a mutual defense pact following a coup in Niger and ensuing military threats from ECOWAS, the AES was established in

With Burkina Faso, we found that the bottom 50% of their SMS traffic was being sold at a price 2x less than traffic at the top end. One classic red flag is pricing. When the pricing of any good or service is so low it appears too good to be true, then this is a surefire clue that something worrying may be going on; this holds true for any
