

Can Cameroon SMEs be incorporated internationally?

The international insertion of Cameroonian SMEs is mainly prohibited by obstacles related to the business environment of Cameroon. This paper draws on data contained in the 2018 General Registry of Enterprises, which was prepared following an enterprise survey conducted by the Cameroon National Institute of Statistics.

How many enterprises are developing in Cameroon?

The authors seek to meet this objective by analyzing the findings of the enterprise survey conducted by the Cameroon National Institute of Statistics and reported in the (2018) General Registry of Enterprises, which identified 8 key development challenges for a total of 209,482 enterprises in Cameroon.

How many SMEs are there in Cameroon?

This paper draws on data contained in the 2018 General Registry of Enterprises, which was prepared following an enterprise survey conducted by the Cameroon National Institute of Statistics. The survey found that there are 209,482 enterprises in Cameroon, 99.2% of which are SMEs.

Are SMEs financially constrained in Cameroon?

Coupled with the underdeveloped nature of Cameroon's financial system whereby bank loans remain the main source of external financing for firms, most enterprises in Cameroon are consequently financially constrained, with these constraints having greater impacts on SMEs compared to large enterprises (Serge et al., 2015).

Do Chinese companies need a GVC in Cameroon?

Most Chinese firms are already inserted in GVCs but most enterprises in Cameroon (especially SMEs) are barely beginning to integrate internationalization plans in their business strategies and at this stage, sound institutions and government incentives are of critical importance.

How to promote GVC Participation of Cameroon SMEs?

Coopetition among SMEs, backed by appropriate government support mechanisms, are key determinants in the network construct to foster GVC participation of Cameroonian SMEs. The international insertion of Cameroonian SMEs is mainly prohibited by obstacles related to the business environment of Cameroon.
