

Does Canadian Solar offer all-black solar panels?

If you demand an all-black solar panel, Canadian Solar has you covered, as it offers the HiKu in an All-Black version. The only difference is the All-Black HiKu is slightly less efficient, because its non-reflective black backsheet causes it to retain more heat, and therefore causes the cells inside to produce less energy.

How many solar panels does Canadian Solar offer?

Thank you James and his team Solar Solutions LLC Full Pallet (30 Solar Panels) - 12kW Pallet Canadian Solar 400W Mono-crystalline Solar Panel (Black). Canadian Solar's 400W Monocrystalline Black Solar Panel (CS6R-400MS-HL) offers high efficiency and durability, ideal for residential and commercial solar systems.

Does Canadian Solar offer bifacial solar panels?

For commercial and industrial markets, Canadian also offers a bifacial solar module called the BiHiKu. For residential use in the United States, Canadian Solar offers three main solar panel module series: HiKu, HiKu6, and HiKuBlack. Here's some information about each of these products: Canadian's HiKu solar panels are their stock-standard offering.

Where can I buy Canadian solar panels?

Canadian Solar's world class team of professionals work closely with our customers to provide them with solutions for all of their solar needs. Solar Electric Supply only carries genuine Canadian Solar modules intended for distribution in the USA. Low wholesale pricing for the latest Canadian Solar solar panels.

Is Canadian Solar a good solar company?

Canadian Solar is one of the 5 biggest solar panel manufacturers in the world, with 20 years in business, and SolarReviews has named the company the fifth-best solar manufacturer of 2024. The company's residential solar panel lines are HiKu, HiKuBlack, and HiKu6, giving homeowners options in terms of performance and price.

Do all black solar panels have a warranty?

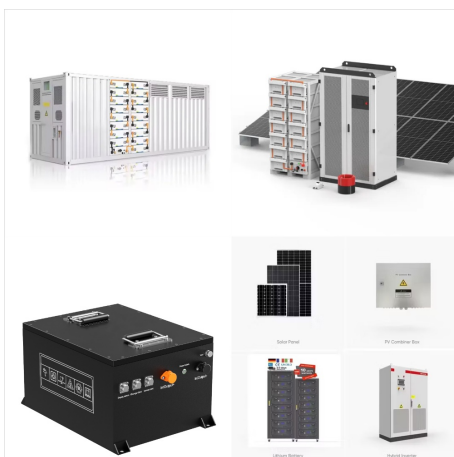

All panels, excluding All-Black, include a 12-year enhanced product warranty for materials and workmanship and a 30-year linear power output warranty. This is below market standards. The All-Black panel is the only panel with a 25-year product warranty. Find a network of trusted installers for solar system, solar panels and electricity needs.

Canadian Solar makes several lines of solar panels, including All-Black, Ku, and BiKu. Canadian Solar's panels range in efficiency from 15.88% to 20.6%, and they have a materials warranty lasting up to 15 years on some products.

Canadian Solar covers its high-end TopHiKu6 solar panels with a power output warranty that guarantees at least 87.4% power output in year 30, a longer output warranty than most solar panel companies.

Solar Electric Supply only carries genuine Canadian Solar modules intended for distribution in the USA. Contact us toll-free at: (877) 297-0014 for the latest wholesale prices for Canadian Solar panels.

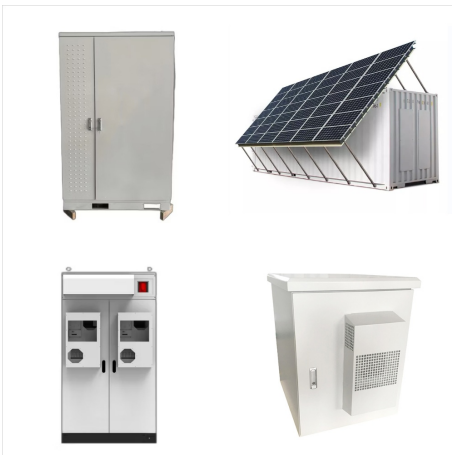

For those with an aesthetic preference for an entirely black solar panel, Canadian Solar presents the HiKu in its All-Black variant. The main distinction lies in the All-Black HiKu's slightly diminished efficiency. Its non-reflective black backsheet causes it to absorb more heat, which in turn slightly reduces the energy output of its cells.
