The Railroad Commission of Texas does not regulate backup generators provided by Canter Power Systems. The program is optional. Texas Gas Service customers are not required to purchase a backup generator to receive natural gas service. Failure to pay the Canter Power Systems will not affect your natural gas service.

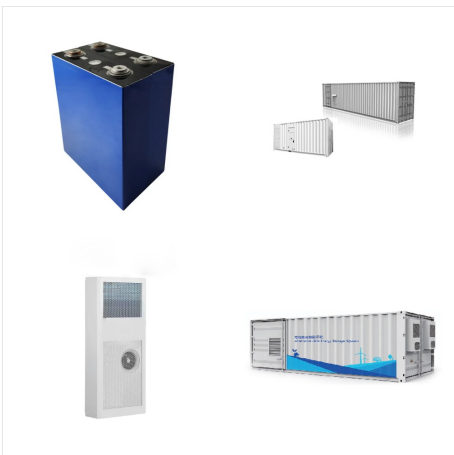

I contacted Canter Powers and they sent John who was a very kind and professional person throughout the duration of his visit. He took the time to explain what happened, troubleshooting the culprit and got the job done! Thank you Canter Powers for having folks like John and the young lady who took my call. She was also great!????
