Multi-Coated EclipSmart Solar Filter for PowerSeeker 127EQ, NexStar 130SLT, StarSense Explorer DX 130AZ, StarSense Explorer LT 127AZ, Astro Fi 130

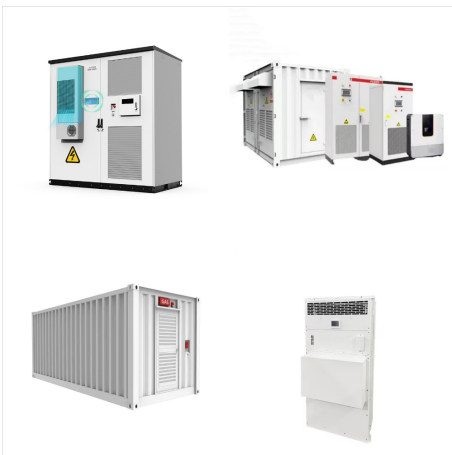

Solar Glasses. Solar eclipse glasses are quite likely the most popular way to view a solar eclipse. This is because you don't need magnification to observe a solar eclipse, so these simple glasses are a great accessible way to enjoy the event. Typically these are constructed similarly to a pair of old 3D movie glasses, with solar safe film in place of the red/ blue gels.
