Money-Saving Solution: The high-efficiency,

integrated solar panel enables the d.light S30 to

charge even on cloudy days, creating night after

night of solar-powered illumination. Flexible Design:

Take the S30 with you, wherever you go. The metal

hanging handle allows it to be carried inside or

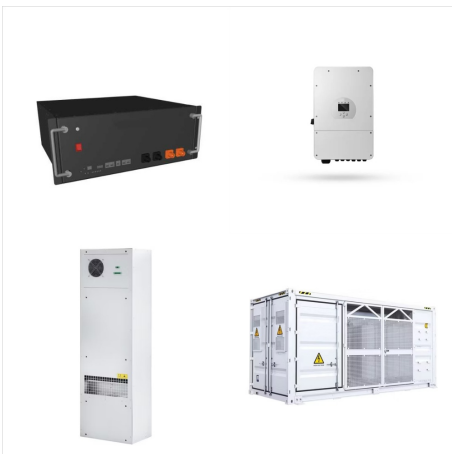

outside and also easily hung from a wall or a hook.

Keeping you connected: The S200 is simple and easy to use. Just plug the solar panel into the lantern, charge the unit during the day, and connect your mobile when the indicator light shows the lantern is charged. Customize your light: The d.light S200's high-efficiency LED solar light provides two brightness settings
