

Who is cobalt Power Systems Inc?

Our team here at Cobalt Power Systems Inc. is committed to providing you with professional, high-quality services you can rely on so you can enjoy the benefits of solar power as quickly as possible. Whether you are looking for a grid-tied PV, an energy storage system, or both, we can work with you to find the perfect solution for your needs.

Is cobalt a good solar company?

When it comes to solar, you want more than just a reputable company. Cobalt Power Systems was the first SunPower Elite Dealer(TM) in the nation and was named SunPower Dealer of the Year for our customer service. SunPower panels are also backed by a strong 25-year warranty. "Cobalt was reliable, effective, and knew how to get things done."
