With much of the commercial industry such as large names like Apple, Ford, Amazon, Walmart, Google, Fifth third bank, etc. turning its attention to solar and other forms of renewable

COMMERCIAL SOLAR COMPANY BOONE COUNTY

While I would encourage and support companies to install their own renewable energy facilities, I believe that commercial wind and solar farms represent a poor use of Boone County farmland. Providing a lease payment to a single farmer or farm family is far different than providing long term, high wage jobs for Boone County citizens.

The Boone County Board of Commissioners will host a joint workshop with key stakeholders on Thursday, April 4, 2024 at 6:00 PM to discuss the proposed moratorium for large scale commercial solar arrays and wind turbines. There will be an opportunity for public comment. Meeting Location: Boone County Fairgrounds in the Witham Pavilion Classrooms
