

Solid wood furniture made by American artisans. Every piece of furniture we sell is handcrafted by artisans in Michigan, Indiana & Ohio. Shipping is on us. Free white glove delivery, unless the item can be shipped to your door. Solid hardwood, high-end finishes & quality hardware means superior durability.

What makes American-made furniture unique?

Our favorite American-made furniture is not mass-produced; instead, it's made to last by artisans, with responsibly-sourced solid hardwoods, durable upcycled fabrics, recycled steel, and other sturdy, sustainable materials. Most American-made furniture focuses on timeless designs that aren't likely to go out of fashion.

Where can I order solid wood furniture?

Customize online or give us a call to order. At Vermont Woods Studios, our solid wood furniture, handcrafted in Vermont, embodies a legacy of quality and sustainable craftsmanship.

What is solid wood furniture?

Unlike these other materials, solid wood is made from solid pieces of lumber, not from thin veneers or wood strands bound by adhesives. When you feel solid wood furniture, it could have some texture. It's noticeably heavier and more durable compared to furniture made with cheaper materials such as particleboard.

Who makes solid wood dining sets?

MAVINspecializes in custom manufactured solid wood dining sets made to your specifications for your dining area. The company offers a wide selection of wood types, finishes, paints, and hardware options that you can mix and match to create the perfect dining set.

Why should you buy American made furniture?

All of our wood furniture is proudly made in the USA by talented and passionate woodworkers. Buying American made furniture is better for your home, better for the planet, and better for the economy. Our furniture is designed and built to last a lifetime using high quality materials and best-in-class construction.

David Stine is an award-winning furniture maker whose work marries traditional craftsmanship with sustainable practices. He is the fourth generation to steward his family's 500 wooded acres in Illinois, where he grows, harvests, and mills the wood he uses in his work.
