

Who is CR solar?

CR Solar is your company to go with for anyone wanting to save money on electricity and "go green"; Chris is the most efficient, detailed contractor I hired for my Solar Panel installation project. After vetting through 4 solar companies in the Austin area, I picked Chris for my solar installation project for my residential roof top.

Why should you choose Costa Rica solar solutions?

The ROI makes installing the system an easy decision. Costa Rica Solar Solutions' service has been excellent - the system and permitting was completed as per the agreement and everything has been running well. The one service issue we had was fixed promptly and Lester got the system back up and running immediately.

Who is RCL's solar specialist?

James is an experienced and knowledgeable Solar Specialist, having worked in the solar industry since 2006. Buddy Avis grew up in Alloway, NJ and is proud to be a solar specialist with RCL. Born and raised in Salem County, Bill McGowan is one of our premier solar specialists here at RCL Enterprises Inc.

Why should you invest in solar energy in Costa Rica?

Lester provides excellent service and value for solar projects in Costa Rica. We decided to invest in solar energy for a couple reasons. One was, the project that we have going on our property, we're trying to do things in a more sustainable way. The solar energy really fit in with the whole project.

Who is eequals solar?

Just as Einstein's discovery changed the world, eEquals -- formerly known as CR Solar -- seeks to balance the equation. As one of the top solar companies in Illinois, we have made it our mission to help our clients fight back against the big power companies and take their energy needs into their own hands.

Why should I Choose Lester solar solutions?

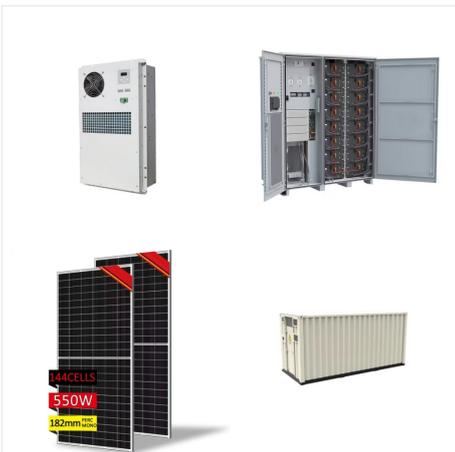

Lester's Costa Rica Solar Solutions team successfully installed solar panels on my home and provided ongoing support long after the install, answering questions and assisting on navigating through ICE with meter changes etc. On an important investment like this I can recommend Lester and his company to follow through on what they say they will do.
