Clearance. In this section you can find clearance solar panels. These are the panels that are still in stock but in low numbers. They come with a 30-50% discount but the Return Policy does not apply to them. Basically, you can get quality solar panels for a lower price but there is a risk they'll break along the way, and in this case, we won't be able to replace them.

I'm not saying that the regime would ever put cheap solar panels for sale to the average Cuban, what I wonder is why they don't get those panels en masse for the state owned business's or the gov. sanctioned "Cooperativas" (btw., the non agrarian ones started in 2012).
