

We will establish production facilities in the Nordic Region, with its ambitious political energy transition agenda, deep ice-free ports giving access to the attractive European markets, and highly qualified workforce. our plan entails the production of 2.5 million tonnes of high-quality green steel on coils per year, based on Nordic iron ore

The Norwegian green industry developers BR Industrier and Vanir Green Industries have established a joint company to scale and industrialize Direct Air Capture (DAC). The new company, Removr, will be 60% owned by Vanir Green Industries, a Nordic investment company committed to drive the energy transition, and 40% owned by GreenCap Solutions, a

Vanir, in Norse mythology, was a group of gods responsible for love and prosperity and subordinate to the warlike Aesir. The Vanir fought for equality against the Aesir. After a war between the two groups equality was granted and the Vanir then sent their gods Nj?rd and Freyr to live with the Aesir.

Vanir Green Industries AS (VGI or the "Sponsor" ) has a proven track-record in building renewables and cleantech companies and creating value\*. We will seek to combine unique industrial capabilities with financial skillset to deliver sustainable returns.

Vanir Green Industries AS (VGI or the "Sponsor" ) has a proven track-record in building renewables and cleantech companies and creating value\*. We will seek to combine unique industrial capabilities with financial skillset to deliver ???
