

Who is Das energy?

DAS Energy Ltd. was founded in 2010 on the basis of this research. As DAS Energy's PV modules became ready for market, Dries sold off Diamond Aircraft to focus on photovoltaics as his main business. "Our vision is to take energy to wherever it is needed.

What's new at Das energy?

DAS Energys managing director Matthias Schoft spoke to pv magazine about its innovative new glass-less modules. DAS Energy is a joint venture of Diamond Aircraft Industries and Alternative Energy Solutions, which it believes gives it a unique position for innovation.

Why should you choose Das energy?

Das Energie allows you to decide when and how you are contacted. Regular companies may spam your mobile number after getting an enquiry. Here you will get dedicated guidance from our energy advisor without any additional cost. We are the first-of-a-kind digital platform in India simplifying your solar transition.

Where can I find Das energy PV modules?

All currently available DAS Energy PV modules can be found in the DAS Kraftwerk webshop. Direct bonding to synthetic membrane,PVC,bitumen and metal surfaces No substructure needed - short installation time - easy handling due to low weight (only 3.3 kg/m²)

How many megawatts a year does Das energy produce?

In the process,the technology is constantly being further developed in the research and development center. The production capacity is currently 55 megawattsper year. DAS Energy founder and CEO Christian Dries has a background in the aviation industry,having founded Diamond Aircraft and running the enterprise successfully for many years.

What are Das energy's PV modules made of?

DAS Energy's PV modules are made from fibreglass-reinforced plasticand the patented pre-grep material (chemically treated fibreglass weave). The development of this technology took six years and is a result of over 25 years of experience with fibreglass materials at Diamond Aircraft.

At Das Energie, we help get the best solar panel installation services from trusted & highly experienced installers. Our vetted installation partners ensure MNRE-compliant solar ???

The Energi Field at Das Energi Festival is the main stage featuring The Reactor. A custom designed stage that combines a towering structure with lasers, pyro. Plus a line up full of massive festival powerhouse DJs playing all weekend long. You could go upstairs to the balcony for a cold drink for our 21+ attendees. Or you could find a spot to

Das Energie Private Limited is reaching out to more and more people each day and are trying to offer solar systems at the most affordable rates. Our company is also offering hassle-free installation at nominal rates. Therefore try us today. ???

In cooperation with ASFINAG, DAS Energy launched a new pilot project for the dual use of these noise barriers. For more information DAS Energy NEWS. DAS Energy & 5 meter long PV module. DAS Energy demonstrates its pioneering role in flexibility and scalability with the production of a 4.9 meter long PV module based on monocrystalline cells.

When and where is Das Energi Festival 2024? Join us on August 9th and 10th, 2024, at The Great Saltair ??? 12408 W Saltair Dr, Magna, Utah 84044. What are the festival hours? Festival gates open from 5:00 PM to 2:00 AM. Will the set times be available before the festival? Absolutely! Look out for the set times the week before Das Energi.

Bei DAS Energy wird das 11x6M PV-Modul als Projektmodul bezeichnet. Dieses PV-Modul wurde speziell für grosse Photovoltaik-Projekte konzipiert. Durch den Gewichtsvorteil (nur 3,3 kg/m²) wird bei der Installation ein einfaches Handling ermöglicht und mit der Verklebetechnik wird die Montagezeit erheblich verkürzt.
