

What is EDF Energy 'myAccount'?

" MyAccount " is a service that EDF Energy launched to allow customers to manage their gas and electricity accounts online without the need to call their contact centre. It arranges all of your bills, payments and contract information in one place so you don't need to compile your bills in a folder or big pile anymore.

What can I do with an EDF Energy login?

Customers with an EDF Energy login can use it to manage their bill payments, submit meter readings, and a whole lot more. You can even download the EDF app. If you're new to the EDF login process, we're here to take you through it step by step. Read on to find out how to make the most of the EDF Energy MyAccount login online service.

How do I enter my EDF myAccount portal?

To enter your EDF MyAccount portal, you'll first need to access the EDF Energy login page. We break down a couple of different ways to find the EDF login page below. Type 'EDF Energy' into your search engine. Select the option that says 'EDF Energy' -- it should be the first result. This will take you to the EDF Energy homepage.

Does EDF Energy offer online services?

Like all major energy suppliers, EDF Energy allows their customers to handle their day-to-day tasks all online. If you need to check or pay your bills, change your name or address, and even solve an issue, you can do it all online.

How do I log into EDF If I don't have an online login?

If you don't have an online EDF MyAccount login, you'll have to set one up on the EDF website. Below the 'Log in to MyAccount' where it says 'Sign up to MyAccount', click the box marked 'Sign up for home'. You'll be asked for some information to complete the EDF login registration. First, you'll have to enter your email address.

How do I use my EDF Energy login code?

EDF Energy will send a code to your email address. Leave the EDF login page open and, in a new browser tab, check your email account, including your spam or junk mail folders. Once you have your EDF Energy login code, go back to the MyAccount page and type it in. You have to use the EDF Energy login code within 10

minutes.
